

Beyond Vision

Misty moisture
dampens the array
of grays and greenery
touching the moment
with vivid gentleness

Nature enters through
sight, sound, scent

Mint and catkin
mingle softly
while blackbird and snipe
spice serenity's splendor
with melody

My soul awake!

A revelation
of the invisible
awaits beyond vision!

Contemplate

Behold your God's mastery
of pleasure
and praise
His matchless
Personhood!
